B. PECK
VICE-PRINCIPAL

September 14th, 2015

Dear Parents/ Guardians:

This letter is to let you know of some very exciting news for E.S. Laird! As your child may have shared with you, we have had an increase in our enrolment and have seen many new faces come to be part of our school. This is awesome and speaks to the great reputation our school has. It has also meant that we have been cozy for the past few weeks. We have learned that we have been given 2 more teachers to add to our staff to better meet the needs of our students! This is a great thing for E.S! This addition will happen as early as next Monday, so we at the school have a lot to do to prepare. What this will mean is that we will be given another homeroom for grade 7 and another home room for grade 9.

Today, Mrs. Peck and I went around and spoke to your child's classroom to let them know this exciting news. We also have asked the students to share with us friendly faces that they would like to see if they were the ones selected to be assigned to the new classroom. We will see a movement of students in the grade 7 and 9 levels to ensure that our class sizes are balanced and that each student is in an environment to best meet their needs. This addition will have a minimal impact on our grade 8 students.

We hope to have all of the decisions made by the middle of this week and student's families that are directly impacted will receive a phone call late in the week from Mrs. Peck or me sharing the news.

If you have any questions please do give us a call at the school, or pop in to have a visit.

Yours in Education,

Mrs. Stacey Klisowsky
Principal, ES Laird Middle School
